

# 2014 International Conference on Control, Decision and Information Technologies

## CoDIT'14

Call for papers -- Special Session on:  
**Communications, Image and signal processing  
 for CODIT2014**  
 November 3-5, 2014 - Metz, France

### Session chair

Prof. Ahmed Bouridane, Northumbria University of Newcastle, UK  
 HDR-Dr Camel Tanougast, LCOMS Lab, ASEC Team, Université de Lorraine, France  
 Dr. Camille Diou, LCOMS Lab, ASEC Team, Université de Lorraine, France

### Session description

*Signal and Information Processing aiming to promote research on signal processing, information technology and communications. The field of interest concerns all aspects of signals and information including processing, recognition, classification, communications, networking, computing, system design, security, implementation, and technology with applications to scientific, engineering, and social areas. In this special session, we invite researchers to share their findings related to the application of novel techniques in new acquisition techniques, compression, coding, signal, image and data transmission cryptography, recent fast and robust face recognition, implementation of mobile biometrics and other areas in which include biometrics based on voice, fingerprint, iris, handwriting, gait and other modalities, as well as multi-modal biometrics and new biometrics based on novel sensing technologies are welcomed for submission in this special session.*

Major topics of interest include but are not limited to the following:

### Topics

- ▶ Circuits and systems for communications
- ▶ RF, wireless communications and networks security
- ▶ Digital signal and data processing
- ▶ Wireless communication systems
- ▶ Signal Processing in Communications
- ▶ Image and video processing technology
- ▶ Compression, coding and implementation
- ▶ Cryptology, stenography and watermarking
- ▶ Biometry
- ▶ Real-time Signal Processing Systems: Design and Implementation

### Submission

Please submit your full paper or extended abstract of 2 to 3 pages choosing the right track on the EasyChair site:  
<https://www.easychair.org/conferences/?conf=codit14>  
 June 20, 2014: deadline for paper submission  
 July 10, 2014: notification of acceptance/reject  
 September 10, 2014: deadline for final paper and registration.
