Decision and Information Technologies

CoDIT'14

Call for papers -- Special Session on:

Emotion Recognition for Human Machine System

for CODIT2014

November 3-5, 2014 - Metz, France

Session chair

Dr. Choubeila MAAOUI, LCOMS Lab, Université de Lorraine, France

Prof. Alain PRUSKI, LCOMS Lab, Université de Lorraine, France

Session description

In recent years, much research has been done on emotion recognition areas that find applications in affective computing, psychology, cognitive science, sociology and philosophy. Several approaches have been proposed to recognize human emotions based on facial expressions, physiological signals, speech, gestures... The goal of the present special session is to gather people interested in emotion recognition field to discuss new analysis techniques and investigate their potential use in various emotion recognition applications. Topics of interest include, but are not limited to the followings:

Topics

- ▶ Facials expressions analysis for emotion recognition;
- ▶ Physiological signals analysis for emotion recognition;
- ▶ Speech analysis for emotion recognition;
- ▶ Multimodal emotion recognition;
- ▶ Emotion recognition for affective interactions;
- ▶ Applications of emotion recognition.

Submission

Please submit your full paper or extended abstract of 2 to 3 pages choosing the right track on the EasyChair site:
<https://www.easychair.org/conferences/?conf=codit14>

June 20, 2014: deadline for paper submission

July 10, 2014: notification of acceptance/reject

September 10, 2014: deadline for final paper and registration.
